

Newsletter 15th March 2024

To our families and friends,

Many of you would have noticed that following a storm or long period of rain, that parts of the school grounds become flooded which results in us having to ask parents to enter the school grounds via the staff car park instead of the main school. This is an ongoing problem that is caused by the large volume of rainwater running off the higher HCC land behind the school. The school drains have been cleared but the drainage just is not sufficient to cope with the excess water. The flow of water eventually stops at the school gate but this also floods the alleyway and some the neighbour's gardens. This situation is happening more and more frequently and as a result, I have been in contact with HCC on behalf of the school and the residents to ask them to help solve this issue. We have arranged for a concerned residents meeting to be held at school on 24th April at 6pm which we will hopefully have a productive conversation and agree a plan to resolve this issue.

This week, we have had two very exciting events taking place in school. On Wednesday, we welcomed iRock into school to lead a rock and pop assembly. This was a fabulous assembly where children listened to some familiar pop songs and four lucky children were chosen to create a band and play the chorus to 'We Will Rock You' by Queen. You will have received a flier and an email if your child is keen to join a band during the school day.

Today, we have helped to raise money for Comic Relief. A huge thank you for your generous contributions today. We are thrilled that we can help this charity and send them £206!! Please see the photo gallery at the end of this newsletter.

In March 2022, the Schools White Paper announced that by September 2023, all schools would have to ensure that they were delivering a school week of 32.5 hours to all children. This deadline has now been extended to September 2024. As a school, we have decided to move to a weekly timetable of 32.5 hours from the first day of the summer term (16th April). This will only increase the school day by 5 minutes and the school finishing time will be 3.20pm and not 3.15pm.

Sponsored Bounce

Last week, we wrote to parents to let you know that on Tuesday 26th March, all the children in the school will have an opportunity to take part in our sponsored bounce fundraiser.

Throughout the day, teachers have an allocated time to take their class to the bouncy castle in the hall. In small groups (no more than 5 children at a time), children will have an opportunity to play on the bouncy castle as well as see how many bounces they are able to do in 1 minute.

In order to organise this safely and in the allocated time slots, we are hoping that some parents/grandparents will be able to volunteer some of their time to help come into school and help with counting the children's bounces.

The timetable for the day is as follows

9am - 9.30am - Year 3

9.30am - 10.30am - Pre School

10.30am - 11am - Nursery

11am - 11.45am - Reception

11.45-12.15pm - Year 4

1pm - 1.30pm - Year 2

1.30pm - 2pm - Year 1

2pm - 2.30pm - Year 5

2.30pm - 3pm - Year 6

Please contact the admin office if you are able to volunteer some of your time to help with one or more than one of the class bounce sessions. Many thanks in advance as these events just would not be possible without your help.

Governor Update

On Thursday afternoon the full Governing Body met for a termly meeting. We were provided with updates by Mrs Etienne on matters such as the progress on the priorities in the School Development Plan, safeguarding and how we are spending the sports premium funding we receive. Governors were able to question Mrs Etienne, and questions were asked on topics such as attendance, the assessment of spelling, progress in writing and staff wellbeing.

Today the Standards Committee met and were given an overview of the Teacher Assessment Framework for writing and an update on phonics assessments for children in Reception, Year 1 and Year 2. We also reviewed how the School is seeking to improve children's presentation skills and saw some great evidence in the children's books of improvements in handwriting.

PE Tops

The new P.E tops will be available to purchase from Kidz Connections in Hertford during the Easter holiday.

If you have not had a chance to look at these P.E tops for yourself yet, then please do pop into the admin reception area where we have one displayed for you to see.

These tops are optional for the children to wear in the summer term but will become a compulsory element of the P.E kit from September 2024. These are made from a dry fit material instead of cotton and will therefore dry extremely quickly once washed. You may find that one of these P.E tops will be sufficient, even if you do a mid-week wash. The admin office do have a supply of our current t shirts which can be purchased for £3 and worn until the end of the year.

Keeping children safe online

A Parent's Guide to Cyberbullying

scan the QR code with your phone's camera for Parent's Guide on how to help keep your children safe online

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.
